Volart Encajes y Tejidos - Tradeurop SL

Travesía Industrial 167-175  
08907 L'Hospitalet de Llobregat  
Barcelona, Spain

### LEAVERS

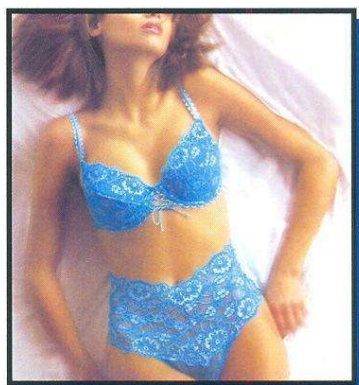

We have 18 Leavers looms, to produce the finest rigid laces, for external or lingerie use, spanish veils, wedding veils or dresses.

### JACQUARDTRONIC

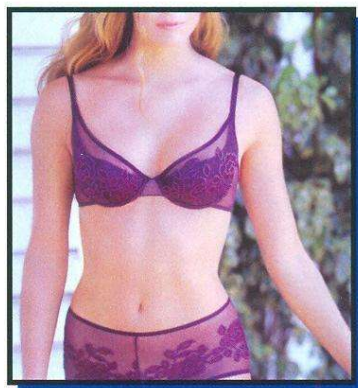

Our skilled design team, and the use of different types of yarns, allow us to offer corsetry, wedding and pret-a-porter collections, both elastic and rigid.

(10 looms - 78 bars)

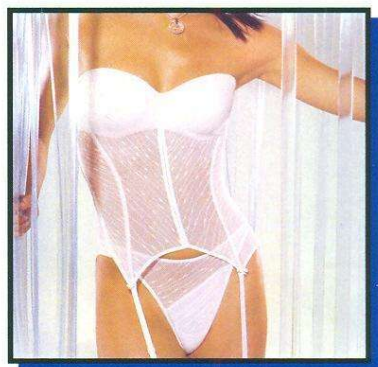

### TEXTRONIC

Textronic Laces offer elasticity and texture. We have 2 looms (54 bars) for our corsetry collections.

### RASCHEL

Our Raschel looms (2) give us the possibility of very open backgrounds with very delicate and modern designs.

## Production Capacity

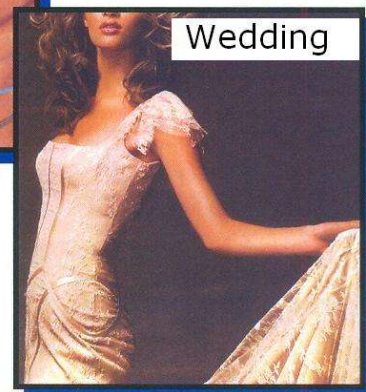

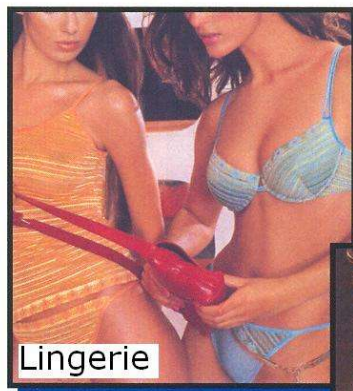

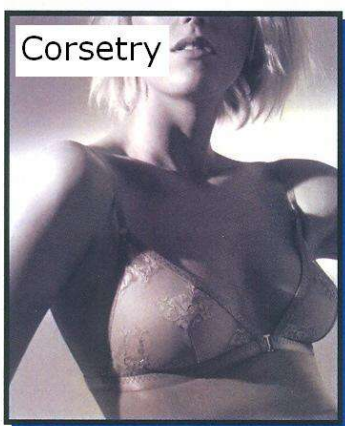

Our production total production capacity is **3,500 Kgs** per week.

## Our Customers

For three generations, Volart has been close to its Spanish customers. But in the past years, we have established a network of international agents, and we are currently distributing our products in **Europe, The United States, Asia and Latin America.**

Nowadays, there are big names in the international textile industry amongst our customers **in the costrery, wedding and outwear sectors** ..... Warnaco, Pronovias, La Perla, Victoria's Secret, Mast, Calzedonia, Vanity Fair Group, Sara Lee Group, Selmark, Demetrios .....
